Test History

test 1 - 7/4/2021: first test.

test 2 - 8/4/2021: second test following fix for failed tests:

- > A4 and A5 - end of round message off bottom of screen
- > A6, A7, A8 and A9 - mobile buttons move down in position when switching from previous screen
- > fixed both by increasing space on screen in these two positions

test 3 - 17/4/2021: tested following addressing issues and included resolution of 540 x 720 following feedback on #peer-code-review
